Fill in all the blanks.

Fields marked with a * are mandatory fields

- Yahoo ID (Whatever you want to use as long as it is not already taken by someone in the Yahoo world. You can BE CREATIVE if you wish)
- Password (something that YOU WILL REMEMBER)
- Password again (to make sure you typed it right)
- Security Question
 - (If you forget your password you can request it be sent to you. For security purposes they ask you a personal question which you have to respond to with the correct answer.)
- Your Answer to the Security Question
- Alternate Email
 - (This is not mandatory but if you want email to go to your usual account it is best to enter that email address here so you won't have to do it later).
- Verify Your Registration.
 - See the art style lettering. You would enter this into the Verify box EXActLyAsitIS. By Example above you must type in: 6Xe3Hn. This is to keep spammers from just overloading and creating accounts. It is a random figure every time you go there. If you forget a field above, you will see exactly what I am talking about.
- Click on the I Agree button and you are off.

At this point, you now have a Yahoo Account, but you will need to be approved in order to join this users group. We don't want every Tom Blow just coming into our group, spamming, and being just plain mean. In order to receive approval, you will need to let us know that you are who you are so fill in the blanks for us please.

Scroll down the screen. In the Comment to Owner section, put in who you are, maybe what you ride (yeah, we are good, but we may not know your name yet but I would bet we know your bike⁽²⁾)

WE KILOW YOU I DIRCE)

Scroll down a little further now. Yeah I know, another one of them artsy verification letters. This one looks to be a pain to read. Soooooo.

Try again TIP: Letters like Z and S and V that look real similar in both lower case and upper case use upper case. It is easy to identify N from n, but not so easy for Z from z or an S from s when the sizes are different, so use upper case on these types of letters your chances are better.

Good Luck. Once you get here, others that are already there can help you set up other areas by asking them.

This group is for Riders to communicate rides with riders, to have good email conversations amongst friends and companions of the Chaparral Riders. Ribbing and teasing is welcome and provides character. However, this group is not for bashing. Each message requires approval on an interim basis. Moderators will monitor conversations and if it is felt that the conversation is derogatory or demeaning in any way it will be deleted and the sender will be contacted accordingly.

NOW LETS RIDE!!!!!
